

High Security Container Sealing

The top priority is the safety of your cargo.

Our JUMBO seals are the best solution to fulfil this requirement and to safely seal goods while shipping.

The hardened steel offers tensile strength over 4 tons and additional lubricants provide protection against manipulation through friction while shipping.

JUMBO seals can be closed easily and quickly by connecting the two parts and can only be removed with the help of a bolt cutter. After being cut the seal it cannot be reused.

Technical data:

- Type : bolt seal
- Material : high carbon steel
- Pin length : 100mm
- Bolt diameter : 10mm
- Pull strength : 4000KG

Packing:

- Seals per carton : 125
- Carton dimension : 34 x 19 x 19 cm
- Total weight carton : 18 KG

Item number: 8255001

Description: jumbo high security seal

MOQ: 1250 seals

Laser number marking

FORT KLICK

high-security seal container lock

Easy to operate, easy to lock. Can only be cut off with a special Bolt cutter. After locking seals, to prevent rotation function more effectively ensure the safety of goods.

Technical data:

- Type : bolt seal
- Material : high carbon steel and ABS
- Pin length : 76 mm
- Bolt diameter : 8,9 mm
- Pull strength : 1200 KG

Packing:

- Seals per carton : 250
- Carton dimension : 47x32x30 cm
- Total weight per carton : 16 KG

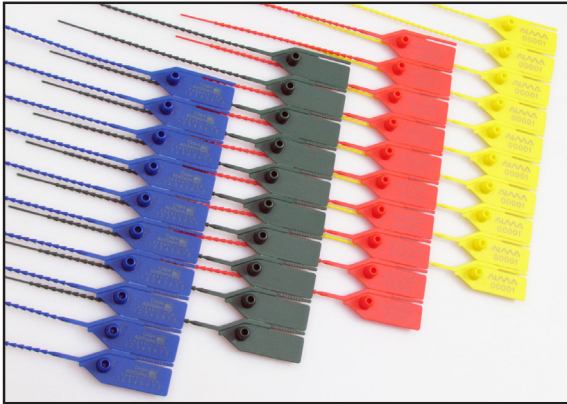

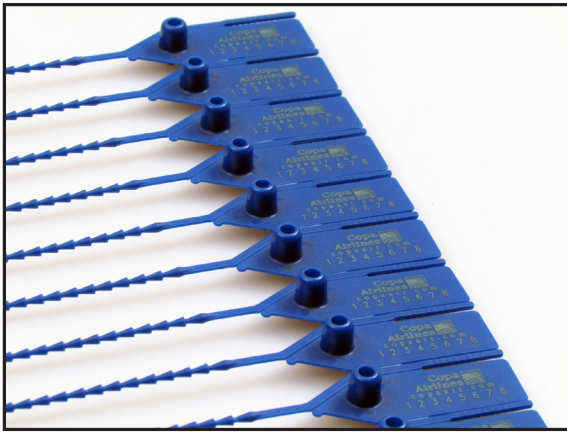

Item number: 8256001

Description: Fort Klick High Security Seal

MOQ: 2500 seals

Laser marking and barcode

FORT FLEX

pull up indicative seals

FORT FLEX indicative seals are mainly used in the aviation industry. Food- and other supply containers must be sealed and only can go on an air plane if untouched. The handling is easy and safe. A tear off latch on the side allows to detach the seal without any tool. The label area provides enough space for computer laser printing of your logo, a serial number, and a barcode.

Technical data:

- Type : Indicative seal
- Material : PP polypropylene
- Locking length : 145 mm
- Strap diameter : 2,8 mm
- Pull strength : 7 - 14 KG
- Standard colours : White, red, yellow
- Customized colours available

Packing:

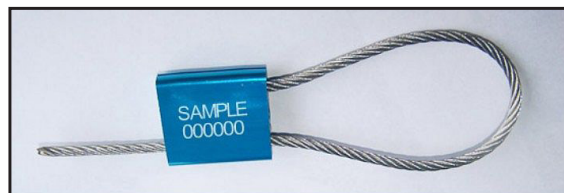

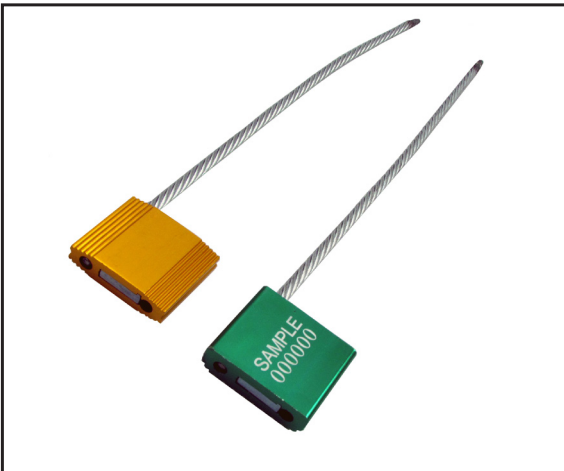

- Seals per carton : 1000
- Carton dimension : 33 x 26 x 23 cm
- Total weight per carton : 2,2 KG

Item number: 8253001

Description: Fort Flex Indicative Seal

MOQ: 10.000 seals

Laser marking and barcode
